### **Spoken English and Personality Development**

**Date: 10/01/2022**

**Venue: Conference Hall**

Communication Skills and Personality development is now a full-fledged course as people have started understanding the importance of this in the true sense. In the changing times of competition and economic revolution Personality Development and Communication Skills is gaining importance and is one of the important skills that every student should have in order to excel in their life. For the purpose of orienting our students to this course Dudhnoi College organised a One Day soft skill development workshop on "Spoken English and Personality Development" on 10<sup>th</sup> January 2022 in association with Optimista Learning Hub LLB, Guwahati with the following objectives:

1. To make the students understand the importance of soft skills .
2. To train the students on basics of English communication, building confidence in speaking its techniques and grammar.
3. To train the students on various collective day to day English vocabularies for their implementation while communicating.

The workshop was attended by 43 students and a good number of teachers. Resource persons from Optimista learning Hub addressed the students. This programme is a great success since it has inspired the students to enrol the hundred hours personality development programme offered by Career Counselling Cell of Dudhnoi College in association with Tata Consultancy Service.
