Circular

It is notified for the students of Dudhnoi College that a Soft Skill Development programme on "Spoken English and Personality Development" is organised on 10th January 2022. The programme is intended to make students understand the importance of soft skills as well as to train them on basics of English communication. Resource persons from Optimista Learning Hub, Guwahati will deliver lecture on that topic. All the interested students are requested to attend the programme at 11 am in the conference Hall of the college.
