NOTICE

Regarding Multi-Disciplinary Courses (MDC):

The MDC of Gauhati University is distributed into eight (8) groups. Every group has three papers for Semester 1, 2 and 3 respectively. A Student need to choose any one group and need to study all three papers consecutively in Semester 1, 2 and 3. Once chosen, the group cannot be changed. The groups are as follows:

1. Natural and Physical Sciences:

MDC1 (for Semester 1): Introduction to Natural and Physical Science.

MDC2 (for Semester 2): Natural and Physical Sciences in Everyday Life.

MDC3 (for Semester 3): Application and Prospects of Natural and Physical Sciences.

2. Mathematical Sciences:

MDC1 (for Semester 1): Foundations of Mathematical Sciences – I

MDC2 (for Semester 2): Foundations of Mathematical Sciences – II

MDC3 (for Semester 3): Foundations of Mathematical Sciences – III

3. Library, Information and Media Sciences:

MDC1 (for Semester 1): Foundations of Library and Information Sciences.

MDC2 (for Semester 2): Information Sources and Services.

MDC2 (for Semester 3): Foundation of Mass Media Studies.

4. Commerce and Management:

MDC1 (for Semester 1): Basics of Commerce and Management

MDC2 (for Semester 2): Personal Financial Management

MDC3 (for Semester 3): Personal Income-tax Planning

5. Humanities and Social Sciences:

MDC1 (for Semester 1): Makers of Modern Assam

MDC2 (for Semester 2): Democracy and Peoples' Rights

MDC3 (for Semester 3): Understanding Globalization

6. Information and Communication Technologies:

MDC1 (for Semester 1): Information and Communication Technologies - I

MDC2 (for Semester 2): Information and Communication Technologies - II

MDC3 (for Semester 3): Information and Communication Technologies - III

7. Live Sciences:

MDC1 (for Semester 1): Basics in Life Sciences.

MDC2 (for Semester 2): Life Sciences and Environment.

MDC3 (for Semester 3): Bioresources and Traditional Knowledge.

8. Earth Sciences:

MDC1 (for Semester 1): Understanding Physical Formations of the Earth.

MDC2 (for Semester 2): Understanding the Changing Environment.

MDC3 (for Semester 3): Land and People of Assam.

In this regard, all FYUGP 2nd Semester students are hereby asked to check their Subject Card and if there is any discrepancy/anomaly in their MDC paper, they should immediately contact Mr. Dibakar Nath, HoD, Department of Political Science and Dr. Manash Lochan Das, HoD, Department of Chemistry.
