### Report on Faculty-Students Exchange Programme

**Date:** 22nd February 2025

A faculty-students exchange programme was successfully conducted between the Department of Education, Dudhnoi College, and the Department of Education, Lakhipur College, on 22nd February 2025.

A team comprising 41 students, 2 faculty members and 1 lab bearer from Lakhipur College visited Dudhnoi College for the event. The exchange programme provided a valuable platform for academic interaction, knowledge sharing and collaborative learning between the students and faculty of both institutions. The programme included interactive sessions, discussions on educational advancements, and cultural exchanges, fostering mutual understanding and academic enrichment. Faculty members from both colleges shared insights into teaching methodologies, research opportunities, and best practices in the field of education. The visit concluded on a positive note, with participants expressing their enthusiasm for similar collaborative initiatives in the future.
