

ONE DAY WORKSHOP

ON

VERMICOMPOSTING

DATE: 21/05/2024

VENUE: DUDHNOI COLLEGE

A one day workshop on Vermicomposting was being held today on 21st May, 2024 at Dudhnoi College. The workshop was organized by Assam Science Technology and Environment Council (ASTECC) in collaboration with Eco Club & Department of Botany, Dudhnoi College and Assam Science Society, Dudhnoi branch in association with Institution's Innovation Council & IQAC, Dudhnoi College. The workshop was funded by Ministry of Environment, Forest & Climate Change, Govt. of India as a part of Environment Education Programme Mission Life in Assam. The workshop was attended by 130 student participants from 10 schools of Goalpara district and students from Botany Department of Dudhnoi College. The resource persons of the programme were:

- Dr. Biswajit Dey, Chief Technical Officer (Horticulture), Krishi Vigyan Kendra, Goalpara
- Dr. Dipali Deka, HoD & Associate Professor, Department of Botany, Dudhnoi College

Tree plantation took place before commencement of the programme and Dr. Lalit Ch. Rabha, Principal of Dudhnoi College delivered welcome address in the beginning of the workshop. Faculty members from Dudhnoi College and teachers from various schools of Goalpara district were also present in the workshop. Participants also received a practical tutorial on vermicomposting.
