

## 30<sup>th</sup> days training programme for preparedness towards competitive examination

Organised by the Career Counselling Cell, Dudhnoi college in collaboration with the Department of Mathematics, Dudhnoi College 1<sup>st</sup> - 30<sup>th</sup> March, 2022

### About the programme

A certain program is mainly essential to strategize the studying and thinking methodologies required to succeed in competitive exams. To understand their interest, students should: understand the exam pattern; make a good strategy; set targets; keep themselves updated; make notes; use digital learning; be committed and keep practicing; maintain self-confidence; and stay positive.

### Organizing Team

- ❖ Dr. Lalit Chandra Rabha, Principal Dudhnoi College.
- ❖ Mr. Mridul Dutta, Coordinator, Career Counselling Cell.
- ❖ Dr. Bidyut Kalita, HoD, Mathematics.
- ❖ Mr. Tusar Kanti Das, Mr. Dhajendra Rabha, Miss Jasmine Rabha, Members.

### Aims of the programme

- ❖ Optimize the skill of understanding the execution of basic concepts.
- ❖ Provide a good time to evaluate outcomes and uncover personal aptitude.
- ❖ Encourage the candidates to create innovative techniques and develop their ideas and skills.
- ❖ Direct the candidates to choose a better career option by recognizing their areas of interest.

Dudhnoi College

## Report of

**Guidance for the 30-days training program for preparedness towards competitive examination provided by the Career Counselling Cell, Dudhnoi College, in collaboration with the department of mathematics, Dudhnoi College**

### Report:

Career guidance plays a very important role in the lives of all individuals, especially youngsters, as it helps in setting future goals and choices in careers. Career guidance is a much-needed service for those who did not plan for their future at an early stage. More should be done to assist the younger generations in their personal career development. When college students have a clear grasp of their greatest job options, they may plan better, proceed faster to the highest education, and contribute to a more productive society in the future. The Career Counselling Cell and the Department of Mathematics, Dudhnoi College contributes to this by holding career counseling seminars for undergraduate and graduate college students. As a part of this process, a 30 hours training was organized from 1st to 30 March, 2022 with following objectives:

### Objectives of the programs:

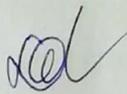

- ❖ Optimize the skill of understanding the execution of basic concepts in mathematics.
- ❖ Provide a good time to evaluate outcomes and uncover personal aptitude.
- ❖ Encourage the candidates to create innovative techniques & develop their ideas & skills.
- ❖ Direct the candidates to choose a better career option by recognizing their areas of interest.

### Response of Students:

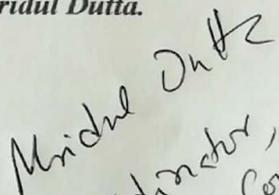

During the lecture, students actively participated and clarified their concerns about competitive exams. The overall response of students was very nice, and students mentioned the possibility of such a *training programme* in the future.

The competitive examination *training programme* was coordinated by **Dr. Mridul Dutta**.

Date: 5/04/2022
