*"Education is the most powerful weapon which you can use to change the world."*  
-Nelson Mandela

### **My dear students,**

On behalf of Dudhnoi College family, I feel proud to welcome you to Dudhnoi College, the premier higher education in the Goalpara District. This institution of higher education was established on 4th August, 1972 with P.U. Course in Arts stream. Latter on Science and Commerce streams were added in the 1985 and 2015 respectively. I offer my sincere tribute to the noble persons of the locality without whose vision and mission this institution would not have seen the light of the day.

Thanks to the honourable president and members of the Governing Body, teaching and non-teaching staff of the college who have given quality and consistency through their efforts. Their hard work and sacrifices have helped in shaping the lives of students of this college. After joining the college on 10th July, 2018 as Principal I have been trying to do better in the field of teaching, learning, research and other corporate activities.

I hope like other educational institution, Dudhnoi College will also be a greater partner in building up the society and nation.

Thanking you.

*Dr. Lalit Chandra Rabha*  
Principal,  
Dudhnoi College, Dudhnoi

**UNDERGRADUATE COURSES UNDER CBCS IN THE COLLEGE**

Dudhnoi college has decided to implement Credit Based Choice System (CBCS) as per regulations of the Under Graduate Choice Based Credit System (UGCBCS) Gauhati University, 2019 from the Academic session 2019-2020. The Choice Based Credit System is the logical next step in a credit based semester system which is becoming more learner-centric. A CBCS offers the student a diversity of courses to choose from and the autonomy to decide on the place, pace and time of learning. The undergraduate degree programme in the CBCS will have courses spread across six- semesters in *Arts*, *Science* and *Commerce*. Two consecutive (one odd and one even) semesters will make up an academic year. An UG course shall be of Six Semesters covering three Calendar Years (Academic Sessions – June to May). The duration of the Odd Semesters (First, Third and Fifth) shall be ‘June to November’, and that of Even Semesters (Second, Fourth and Sixth) shall be ‘December to May’. Each student

must take admission in three consecutive Academic Sessions starting with the first semester. Students who do not enroll in the Second Academic Session will not be eligible to take admission in the Third Academic Session. The minimum time requirement to acquire an undergraduate degree will be three years. The maximum time allowed to complete the programme will be six years.

An undergraduate degree program with Honours in a discipline will have a course credit requirement of 148 credits while an undergraduate degree programme without Honours will require a student to earn 132 course credits. Students in a Honours programme can opt to earn additional credits by undertaking additional Elective courses subject to the condition that the total number of course credits does not exceed 160 credits. For a student in a Regular programme, this credit ceiling will be 140 credits. The credits earned beyond the mandatory program requirement will not be taken into consideration in computation of the student's grade but will be recorded in the grade sheet.

#### OUTLINE OF THE CHOICE BASED CREDIT SYSTEM COURSES:

In line with the GU guidelines, the courses are categorized as Core courses, Elective courses and Ability Enhancement courses.

- A. **Core Course:** A Core course is a course that has to be compulsorily studied. A student in an undergraduate degree programme with Honours will have to take up 14 core courses, each of 6 credits. In a Regular undergraduate degree programme a student will need to take up 12 core courses, each again of 6 credits.
- B. **Elective Course:** An Elective course is to be chosen by the student from a pool of such courses on offer and will essentially be of three types:
  - I. **Discipline Specific Elective Course (DSEC):** An Elective Course which is offered by the main discipline. The discipline offering a Discipline Specific Elective course may also offer discipline related elective courses that are interdisciplinary in nature. A student enrolled in an undergraduate degree programme with Honours will have to earn 24 course credits from Discipline Specific Elective courses. For a student enrolled in a non-Honours

undergraduate degree programme in science, the course credit requirement from Discipline Specific Elective courses will be 36 credits. For a student enrolled in a non-Honours undergraduate degree program in Arts and Commerce, the course credit requirement from Discipline Specific Elective courses will be 24 credits.

**ii. Generic Elective Course:** A Generic Elective Course is offered by an unrelated discipline and has the objective of broadening the academic experience of a student. A student enrolled in an undergraduate degree programme with Honours can acquire 24 course credits from Generic Elective Courses. A Core Course offered in a discipline may be allowed as an Elective to a student from another discipline. This course will be treated under the category of Generic Elective Courses. Generic Elective Courses are not available to students in a non-Honours undergraduate science degree programme while other non-Honours undergraduate programmes require enrollees to take up two such courses.

**iii. Dissertation/Project:** All students enrolled in an undergraduate degree programme (Honours and non-Honours) will have the option of choosing to undertake Project/Dissertation work for 6 credits in lieu of a 6 credit Discipline Specific Elective course in the fifth semester only.

**C. Ability Enhancement Courses:** Ability Enhancement Courses which are to be taken up by students in an undergraduate degree programme will be of two types:

**i. Ability Enhancement Compulsory Courses:** These 4 credit courses are mandatory for every student enrolled in an undergraduate degree programme. A student will have to take up 4 credit course in Environmental Science and a second 4 credit course in English Communication/ MIL Communication.

**ii. Skill Enhancement Courses:** Skill Enhancement Courses will be value- based or skill based and there will be a pool of courses on offer. A student enrolled in an undergraduate degree programme with Honours will have to take up a minimum of two SEC courses of 4 credits each as part of the programme requirement. For students enrolled in non-Honours undergraduate degree programmes the credit requirement from Skill Enhancement Courses will be 16 credits.

### **HONOURS AND REGULAR UNDERGRADUATE COURSES IN THE COLLEGE:**

The College offer Honours and Regular Undergraduate Courses (Non-Honours) in Arts/Science/Commerce streams. The student may opt for honours and regular courses in following subjects:

#### **HONOURS SUBJECT IN UNDERGRADUATE SCIENCE STREAM:**

The student opting honours in science stream may opt for any one of the subject listed below:

Anthropology (total seat: 15), Botany (total seat: 15), Chemistry (total seat: 10), Physics (total seat: 10), Geography (total seat: 10), Mathematics (total seat: 30) and Zoology (total seat: 15)

#### **REGULAR NON-HONOURS SUBJECT IN UNDERGRADUATE SCIENCE STREAM**

The students opting to pursue regular non-honours course must select any three disciplines from the list of the subject given below:

Anthropology, Botany, Chemistry, Economics, Geography, Mathematics, Physics, Statistics and Zoology.

#### **HONOURS SUBJECT IN UNDERGRADUATE ARTS STREAM:**

The student opting honours in Arts stream may opt for any one of the subject listed below:

Assamese (total seat: 50), Anthropology (total seat: 20), Bodo (total seat: 30), Economics (total seat: 30), Education (total seat: 40), English (total seat: 20), Geography (total seat: 25), History (total seat: 10), Mathematics (total seat: 10), Philosophy (total seat: 25) and Political Science (total seat: 40)

#### **REGULAR NON-HONOURS SUBJECT IN UNDERGRADUATE ARTS STREAM**

The students opting to pursue regular non-honours course in Arts must select any two disciplines from the list of the subject given below:

Elective Assamese, Anthropology, Elective Bodo, Economics, Education, Geography, History, Mathematics, Philosophy, Political Science, Statistics

#### HONOURS SUBJECT IN UNDERGRADUATE COMMERCE STREAM:

The student opting honours in Commerce stream may opt for any one of the subject listed below:

Accountancy, Management

#### REGULAR NON-HONOURS SUBJECT IN UNDERGRADUATE COMMERCE STREAM

The students opting to pursue regular non-honours course in Commerce must select any two disciplines from the list of the subject given below:

Financial Accountancy, Business Organisation, English Lang-1, Corporate Law, Business Environment, Marketing Management, Financial Management

#### MODERN INDIAN LANGUAGE (MIL) OFFERED BY THE COLLEGE

Assamese and Bodo.

#### Instruction for General Elective (GE) Papers Allotment B.Sc/B.A/B.Com I Semester (Honours) 2019-20

##### Dudhnoi College

Every student who has taken admission in Honours program has to take one Generic Elective (GE) paper besides the Core papers in the First Semester.

Students, who have taken admission, while confirming their seat with Parent Department, have to fill and submit the GE Allocation Form at the time of admission.

Generic Elective Application form, along with General Elective Choices, Paper Names and number of seats will be made available.

Guidance and Counselling for GE choices will be provided by the respective Parent Departments.

## SECTION : B

### I. Eligibility and Admission Procedure:

1. The college follows relevant guidelines and regulations of affiliating authorities like GU, AHSEC etc regarding eligibility and minimum qualification for enrolment in any courses.
2. Admission is strictly on the basis of merit.
3. Aspiring students may apply for admission in Dudhnoi College through online portal by filling up requisite forms and paying the prescribed application fee.
4. The students will then have to appear for selection interview, on prescribed date, time and place, along with all necessary testimonials in original.
5. The admission process of the selected students will be over only after payment of all required fee through any of available online payment method.
6. Students whose parents' total annual income are less than 1 lakh rupees are admitted under the Assam Government's Fee waiver scheme. Students seeking admission under this scheme must produce parents' original income certificate issued by competent authority at the time of selection interview (certificate should not be more than one year old).
7. During the admission, the College will follow the relevant Government Rules and Regulations regarding reservation.
8. All payments to the college are strictly cashless.
9. The decision of the Admission Committee is final and binding in case of selection and admission of a student.
10. Students migrating from other universities and Boards must produce migration certificate and pay migration fee as per rule.

### II. Change of Subject:

Admitted Students may change their combination of subjects within one month from the date of admission. However such changes are subjected to availability of seat and approval of concerned departmental HoD and Admission Committee. No change of combination of subject is allowed after one month from the date of admission.

### III. Attendance:

Attendance in Higher Secondary classes (both theory and practical) is compulsory. Students with less than 75% attendance will be dis-collegiated and will be barred from appearing in the Board examination as regular students.

In Undergraduate Degree courses, the student must earn full credit in Core Courses, Generic Elective Courses (GE), Discipline Specific Elective (DSE) Course, Ability Enhancement Courses (AEC) [comprising of Ability Enhancement Compulsory Courses (AECC) & Skill Enhancement Courses (SEC) for which the students should have minimum 75% attendance. Attendance means attending direct instruction hours, i.e., theory classes, seminars, workshops, practical, internships, educational trips, field works, project works etc.

- IV. Basis for calculation of attendance:** The basis for the calculation of the attendance shall be the number of hours of contact prescribed by the University. In case a student fails to have at least 75 percent attendance, he/she will not be allowed to sit for the end semester examination and hence have to repeat the concerned semester after the successful completion of the subsequent semesters.

### V. Evaluation Process:

To make evaluation an integral part of teaching-learning process, Dudhnoi College adopted the process of continuous evaluation of students. Therefore taking all the sessional and internal examinations is mandatory for all students. Non-compliance will lead to dis-collegiation. For undergraduate degree students evaluation of the student's performance in each semester for every course/paper will be based on the following:

- Internal Assessment (IA)
- End Semester Examination (ESE)

For a student to pass in a course/paper, she/he has to pass in both Internal Assessment and End Semester Examination separately.

**Internal Assessment (IA):** IA will ideally account for 20% of the total marks allotted to a course/paper. For evaluating the performance of the students in a continuous way, the following measures will be adopted for distributing marks earmarked for IA.

Sessional or mid-term examination will be conducted for 50% of the total marks allotted for IA of a course/paper. The 20% of the marks allotted for IA will be awarded to the students based on class attendance. If the total marks for IA is 20, then 4 marks will be awarded to the students based on class attendance. The following criteria will be adopted for awarding marks under this category:

- Class attendance from 76% to 80%..... 1 mark;

## DUDHNOI COLLEGE ANTHEM

Dudhnoi College  
Dudhnoi College  
Abode of knowledge  
A guiding lighthouse  
Thou allay fear  
As win thou offer  
Dudhnoi College

Vision turned into reality  
Hope springs eternal  
Thou gave dumb chords  
The eloquence of life.  
The earth's cosy glow  
Bespeaks latent wisdom flow  
Time's etched on our memory

Thou brought us nectar  
By churning the sea  
Moved the wheels of change  
Unbridled forever  
Melting fatigue and dotage;  
Mage us burst with vitality  
And agreeably big-hearted.
